Bobby Darin 1959

**C**  
Every night I hope and pray

**C**  
A girl to hold in my arms

**C**                      **G7**  
Because I want - a girl

**C**                      **F**  
To call- my own, I want a

**C**      **Am**      **F**                      **G7**      **C**  
Dream lover so I won't have to dream alone

**F**  
Someday, I don't know how

**D7**  
some way, I don't know how

Dream lover, until then,  
I'll go to sleep. and dream again  
That's the only thing to do  
Till all my lover's dreams come true

**Am**  
A dream lover will come my way

**Am**  
And know the magic of her charms

**C**  
I hope she'll hear my plea

**G7**  
She'll bring her love to me
